## Notice of Revision of Dividend Forecast for FY2014

TSUGAMI CORPORATION (the “Company”) announced today that it has decided to revise its dividend forecast for its year-end dividend per share for FY2014. Details are as follows.

### 1. Reasons for Revision

In light of the steady expansion of the number of business partners, in addition to the expectation that its consolidated full-year business performance forecast for FY2014 will reach a record level, the Company has revised its year-end dividend forecast from an initial forecast of 6 yen per share to 8 yen per share.

As a result, the full-year dividends have been altered from an initial forecast of 12 yen per share to 14 yen per share.
